

## What is Impact?

Impact School of ministry is about more than getting a bible school education. It is about seeing God's people couple the discipline of study with the power of the Holy Spirit. Our desire is to send forth people of the Spirit who are well trained in the Word.

We believe in equipping and empowering in a spirit of excellence. We want to be a place that helps people fulfill their God-given ministries.

If you are interested in growing in God and preparing for ministry, this is the place for you!

*"My passion is to invest my life into those who feel called into ministry. I strongly desire to pour my life and experience into those who can take the Gospel farther than I can."*
